N4C NOTES OF GENERAL MEETING 5 MAY 2003

Apologies:

Attendance: Damien Madden, Margie Milgate, Matthew Smith, Patrick Bourke (BCC Water Resources), Helen Spork

Not enough members present for quorum

Correspondence:

Refer to Damien's list of correspondence (in and out)

Treasurer's Report:

No Treasurer's report given.

Demonstration Catchment Project:

(a) On-site Banner

Damien to organise media attention to erection of banner.

(b) Weed Eradication at Greenslopes Hospital

Randall has sent a quote to Greenslopes Hospital on the eradication of weeds on the property boundary.

Currently awaiting a meeting between N4C, Greenslopes Hospital staff and Randall.

(c) On-Site Works

Mulching and cross-ripping has occurred.

(d) Opening Day

Final date of Opening Day event still to be confirmed. Most likely to be 21st June, 3 pm.

Attendance of Anna Bligh – confirmed.

Attendance of Steve Bredhow & Steve Robertson – yet to be confirmed.

Margie has developed an invitation list, a media launch program, and the day program.

Partick to supply the BCC marque (with the BCC logo) plus a portable microphone.

N4C CREEC Update (signage & social event):

To be discussed at next General Meeting.

N4C Newsletter:

No update. To be discussed at next General Meeting.

N4C Field Day – Greening Australia:

Damien has contacted Wendy Steel and has arranged to send her the text for the advertisement of the field day by the end of the week.

Damien and Graham currently working on the field day program.

N4C Constitution (Draft):

Currently a contact within Environment Australia is reviewing the draft document. No feedback received to date.

Waterwatch Update:

Saturday 10 May – inspection day to identify water monitoring sites.

N4C Website Development:

Development of the brisbane.com webpage is progressing. Some N4C members currently attending workshops to facilitate and inform this development.

BCC Waterways Update (Patrick Bourke):

NCC Greenspace ID material is yet to be done. Patrick to follow through.

Patrick to send NCC “Know Your Creek” booklets to Damien.

A meeting will happen this week to finalise the details of the arborist assessment re: tree for potential removal at Arnwood Place.

The City Wide Catchment Group held a meeting last week and covered issues such as algal blooms, database of waterways studies, the CIAG report, SEQ regional arrangements for Landcare and Catchment groups.

Other News or Business:

Next Riverclean – May 18, Salvin Park, Creek Road.
